SWITCHING INVESTMENT FUNDS

- You may change your investments at any time. You can change your investment strategy at any time by changing funds, or switching in and out of the LifeStyle strategy. If you would like to make a change, you can log onto Mercer OneView via www.pensions.uk.mmc.com and submit your request to change your Investment Strategy online to change how your Individual Account is invested at any time. All you need is your Mercer OneView passcode and User ID. Within 5 working days we will initiate the switch of your accumulated investments with the investment managers.
- You may change your investment decisions (for both past and future contributions) at any time. You may change your investment choices in Mercer OneView at any time and there is no administration fee for doing so. The Trustee reserves the right to apply an administration fee for investment changes in the future and you will be notified in advance if a fee is payable.
- If you are in any doubt about your investment choices you are strongly recommended to seek professional financial advice.
